**THE PRESIDENT  
WOODROW WILSON HOUSE**

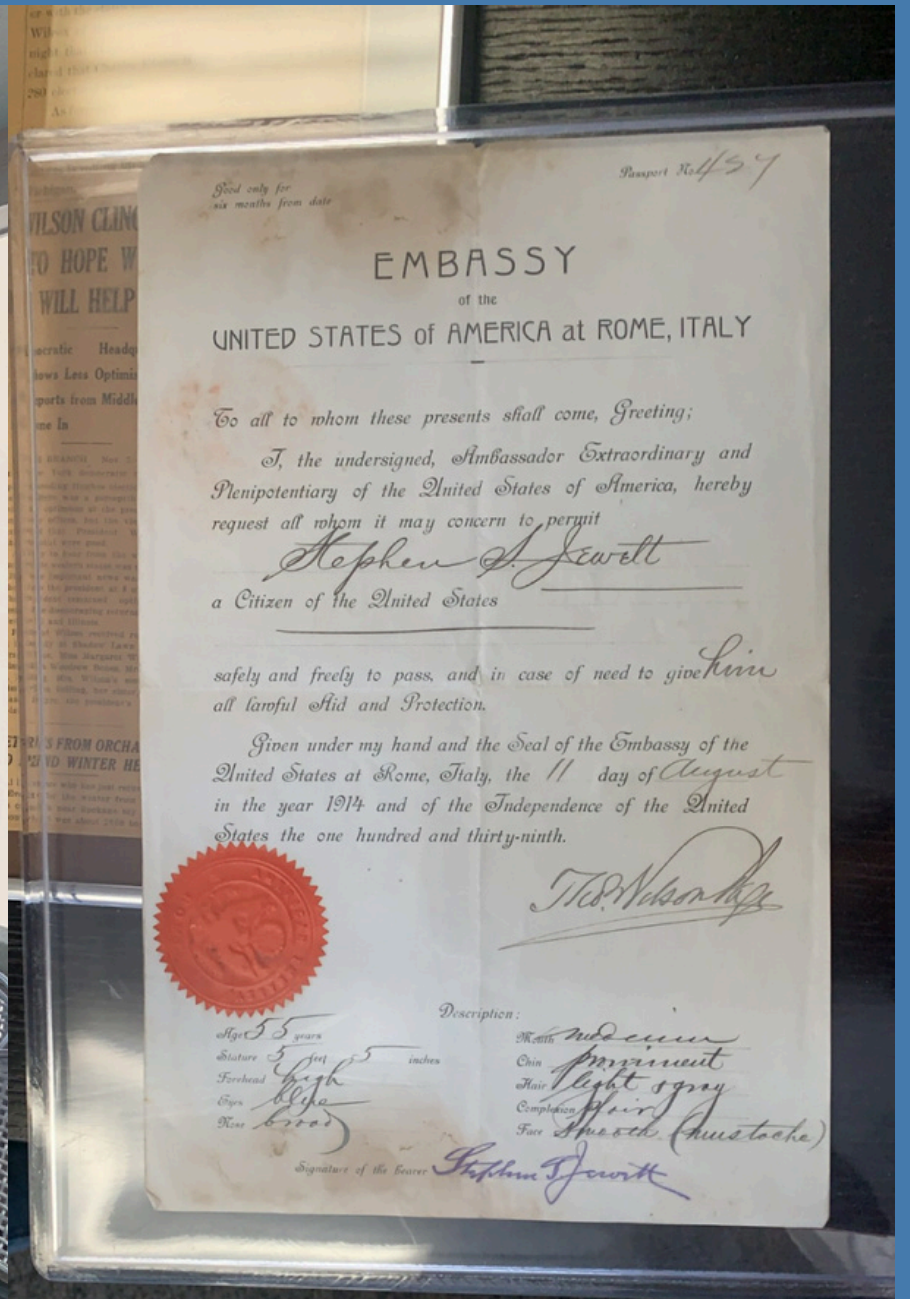

# About Me

- From New York City
- Senior studying Political Science at Boston University
- Interested in Presidential History and civil liberties

# Working at the Woodrow Wilson House

- During my time at the Woodrow Wilson House, I engaged in various tasks that contributed to both the operational and educational missions of the museum.

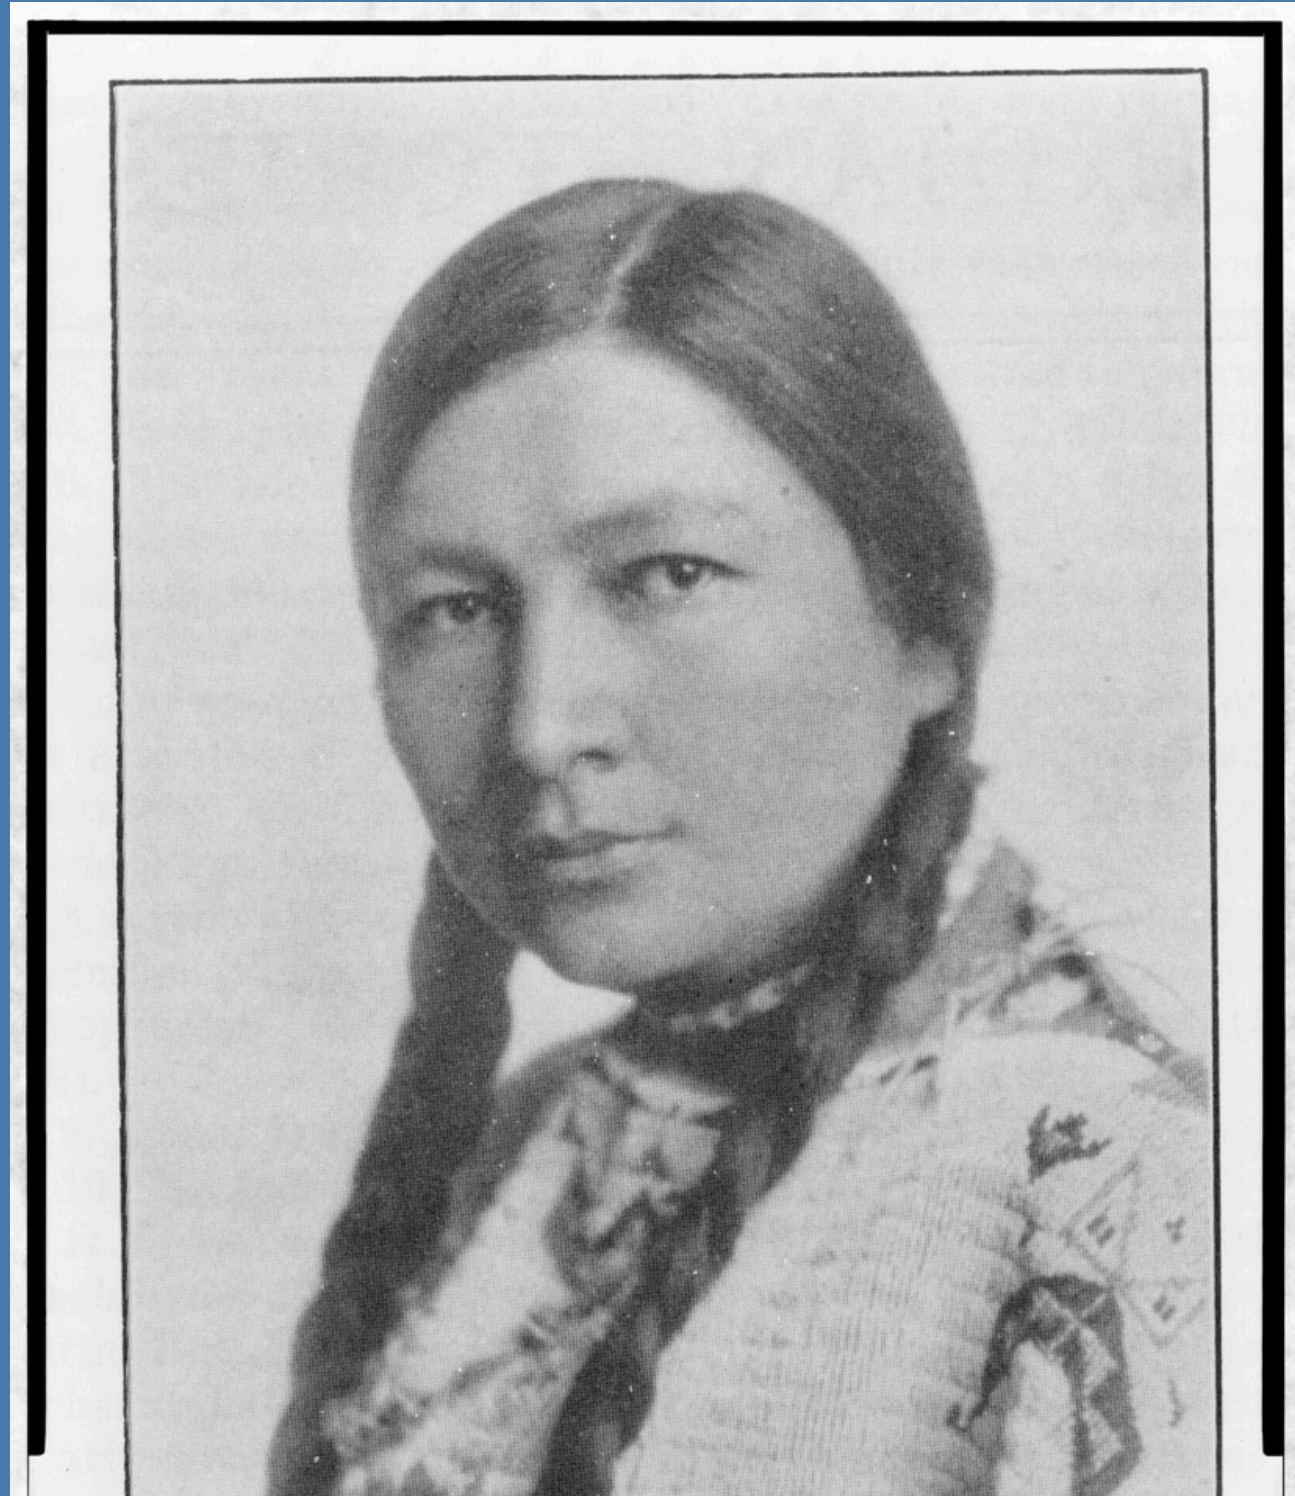

# Projects and Contributions

I had the opportunity to work on several projects, including assisting with events, conducting research on early 20th-century history, and helping with museum operations. Assisted in organizing events and educational programs. Conducted

- research on President Wilson's policies and their impact on contemporary issues. Helped with the maintenance and organization of museum collections.
